Councilmember Feedback on June 12 Workshop Summary

What do you want the Bemidji Code of Conduct to look like?

The Facilitator provided several different example Codes of Conduct from other MN Cities, in addition to the City Attorney draft. Please review them and be ready to discuss what you prefer for the Bemidji Code. Feel free to do research and bring in other examples.

Consider, for example, what you think about how much detail is included and what is referenced (rules and laws, charter, values, commitments, promises). What topics do you like/not like? Is there a style or tone you prefer?

Items for More Discussion

Council survey feedback (so far) indicated that all the items for more discussion are important. However, some of them were less urgent than others.
